Todd,

Monitoring WGLQ (LP-2 for Central U.P.) is fine. They receive WNMU-FM and will relay any national alerts.

Hello Larry;

I sent you a request for a waiver for WQXO Munising for EAS
Especially before they do the national test I'd like a waiver.

I can't receive WNMU in Munising, Michigan

We are in the Navigator Restaurant. There is a cash register near us and we can't receive WNMU.
We do get WGLQ. We do get WFXD. Both 100,000watt fm's that are reliable there.

Could I sub WFXD for WNMU?

Please let me know.
thanks

Thanks for reading this. I appreciate it! 😊
